Canton, Ohio

1996 Edition Dedicated to Bill Parks K8JZN

BILL PARKS K8JZN

Always with a smile and an answer, even to the most unusual question, Bill Parks was Mr. Dependable. "What's the radar show for our weather, Bill", or, "I need the call of a fellow down in Texas, Bill." Or - so many other questions, and he was always there with the helping hand.

Bill Parks, born and raised in the Canton area, graduated from the old Middlebranch High School, and married one of the girls he eyed at that high school. Even had a road named after his family in Robertsville.

When W.W.II came along, Bill got his indoctrination into what many abhor - code and working on Army Air Corps communications equipment. So it was that ultimately he should become a "ham." And that he was, par excellence.

Following the world conflict, Bill married Mickie (she's really Harriet!), got some GI schooling at the Coyne Electrical Institute in Chicago, where Mickie helped support the growing family by working as a bookkeeper at Coyne, and then returned to Canton.

By 1947 Bill was entrenched at the Hoover Company, affectionately known as the Broom Factory, and settled down to the routine called "raisin kids." There's Cookie and Linda, David and Scott which makes four. After 38 years at Hoover, Bill had to requisition a larger memory bank for remembering all those grandkids.

Bill left second shift at the Maintenance Department in 1985 as Foreman, his abilities attesting to the knowledge one acquires when placed in a position of authority.

Licensed since 1958 as K8JZN, he was readily recognized as the amiable control operator of the Sunday morning Red Cross and later the Mutual Aide net. After some 30 years, and only because of ill health, did he leave this operation to others within the Canton Amateur Radio Club.

Yet another labor of love was his editing (interpreted as collecting, compiling, typing and collating) pages upon pages of amateur operator calls, addresses and phone numbers in the grater Canton area. This was his directory. Unquestionably correct, he helped keep the United States Call Book up-to-date!

There's more! The Feedline! Editor Parks and his assistant, Mickie. Oh, how they detested those late Secretary reports. Always after dead-line. There were many years of typing, mimeographing, and Mickie folding the sheets and creasing the newsletter with a socket-wrench socket!

As coordinator of the hall of Fame Parade Communications Coordinator for untold years, he, with ease and dexterity, fielded a myriad of calls from a multitude of amateurs along the parade route. It was with equal efficiency he handled communications for the Stark County Bicycle Club.

Proving that a busy man always seems to find time to help someone else, the QCWA (Quarter Century Wireless Association) quarterly, it was less painful than the Feedline! Bill Parks, 1922-1995. RIP Friend.

Canton Amateur Radio Club

On January 29th, 1941 a group of Canton area Amateurs met in the Post Office in downtown Canton, Ohio and formed what is now the Canton Amateur Radio Club.

This was the first meeting, with Mr. Paul Hughes W8UIL being unanimously elected President of the newly formed Amateur Radio Club. Mr. Fred Hall was elected Secretary. At the second meeting, held on February 7th, 1941 other officers were elected as follows: Mr. Martin (Babe) Hunker W8RQK Vice-President and Dr. Don Volzer W8SQK as Sec-Treasurer. They took up a collection and the treasury stood at \$1.45.

Charter members that are still members 55 years later are:

Paul Hughes W8UIL
Belden Blake W8WNU
Joe Vignos ex-W8VAD, now W1FEZ

1996 CANTON AMATEUR RADIO CLUB OFFICERS

PRESIDENT: Dale Storey KB8LWP
VICE-PRESIDENT: Roger Gray WA8AHK
SECRETARY: Bill Teeters KB8SXE
TREASURER: Larry Schmader K8RMY

TRUSTEES: Dave Beltz WD8AYE

Meetings for the Canton Amateur Radio Club are held every third Wednesday of the month at 7:30 PM at the Emergency Preparedness Center located in the Stark County Safety Building, located east of Canton at 4500 Atlantic Blvd NE. Our club station is set up at that location for emergency communications, should they be needed.

All are welcome to attend our meetings whether you are a member or not. Come out and join us and enjoy an eyeball with some of the Hams you have talked to on the air. You will be WELCOMED.

The Silent Key list on this page is all that was listed when I received the data from Bill Parks, K8JZN, with the exception of the few that became silent keys since I started doing the directory. This list is much shorter then the list in the 1994 directory. If anyone would like to do some research, I would like to enter dates in the next issue of the directory.

A Note From N8UDL

Being my first time at doing the Stark County Directory, I would like to express my appreciation to all those who helped me get through this 1996 edition.

A special thanks to Art Schermerhorn W8FEC, for the research and writing the dedication page for Bill Parks K8JZN. Also thanks to Scott Duncan KK8D for the layout of the dedication page.

Thanks to the Canton, Massillon, and Alliance Amateur Radio Club officers and members who helped me keep up with changes, and thanks to Gary Kline WC8W for working on the repeater listings for me.

Back in early 1993, I asked Bill for a copy of the directory on disk, as I was having problems using the print version of the directory due to eye problems. Bill gave me the data on disk, and since then he kept me up to date with changes. This later proved helpful when I became Secretary and Treasurer of the Massillon Amateur Radio Club in 1995.

When Bill became ill, and was unable to keep up with his work on the directory, I kept it up for him since I was already up to date with him on the data. Then when he was ready to continue, he would then be up to date with the changes. When Bill became a silent key, I volunteered to continue with the project and have the new 1996 edition dedicated to him.

Remember this is your directory, and I need all the help I can get to keep up with changes. If you have a change for your listing, or know of any changes, additions, or errors, let me know. No matter how small an error, let me know. I will not be offended if you find things wrong with this directory, as feedback from you will be of the greatest help. I feel pretty good about the accuracy of the data contained in this directory. I think it is about as good as what Bill would have had if he were still doing it, as with any database changes are a constant ongoing process.
